TRASH DISPOSAL INFORMATION

We ask for your assistance in keeping the Trash Room orderly and clean.

Please observe the following guidelines for trash disposal:

- Place trash only in trash bins, bag all food waste
- Place recyclables only in recycle bins

Acceptable: Cardboard, paper, junk mail, magazines, soft covered books, telephone books, brown bags, tin & aluminum cans, plastic containers & bottles, bag all shredded material.

Unacceptable: Window glass, light bulbs, dishes, Pyrex, ceramics, foam packaging, plastic bags, hazardous materials, fluorescent bulbs.

- Break down ALL shipping boxes before depositing in recycle bins
- The recycle is "No Sort" so it is more easily collected
- Large items of trash should be placed next to bins to prevent overfilling. Large items such as furniture and TVs are not part of the trash removal contract. They require an extra charge to remove, so please contact Casella Waste at 518.636.4423 to make arrangements for pick up and prepay to Casella the extra charge.

Thank you for your cooperation and assistance. The objective is to keep the room neat and free of odors and pests.
